Whereas, in respect of outer garments and clothing accessories, of cotton, the ceiling, calculated as indicated above, should be 150 metric tons, and therefore the maximum amount 45 metric tons; whereas on 16 May 1974 the amounts of imports into the Community of outer garments and clothing accessories, of cotton, originating in India, a country covered by preferential tariff arrangements, reached that maximum amount; whereas, bearing in mind the objectives of Regulation 3503/73, which provides that maximum amounts should not be exceeded, customs duties should be re-established in respect of the products in question in relation to India,
