REGULATION (EEC) No 1457/74 OF THE COMMISSION

of 11 June 1974

amending Regulation (EEC) No 1162/74 concerning the sale of beef and veal held by intervention agencies at prices fixed in advance at a standard rate

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 805/68 (1) of 27 June 1968 on the common organization of the market in beef and veal, as last amended by Regulation (EEC) No 187/73 (2), and in particular Article 7 (3) thereof;

Whereas Commission Regulation (EEC) No 1162/74 (3) of 8 May 1974 provided for the sale at flat-rate prices fixed in advance of beef taken over by the intervention agencies before 1 April 1974, with the purchase of this meat giving the right to an import licence for frozen meat;

Whereas the French and the United Kingdom intervention agencies have found it necessary in certain intervention-centres, to stock certain neighbouring qualities of beef forequarters and hindquarters together; whereas following the material difficulties of sorting out the stored lots it seems indicated that single selling prices for the meat stored together should be fixed; whereas as concerns France, since the release from storage under these conditions has already begun, it appears indicated to procede to a regrouping with effect from the date of entry into force of Regulation (EEC) No 1162/74;

Whereas experience has shown that it is appropriate to adapt the selling prices fixed for hindquarters as well as the deposit amount in order to ensure greater effectiveness for the operations laid down in Commission Regulation (EEC) No 1084/74 (4) of 30 April 1974 linking the importation of frozen beef and veal to the sale of meat held by the intervention agencies;

Whereas the Management Committee for Beef and Veal has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:

Article 1

The deposit amount of '500 units of account per metric ton' given in Article 1 (3) of Regulation (EEC) No 1162/74 is replaced by the amount '250 units of account per metric ton'.

Article 2

1. The Annex to Regulation (EEC) No 1162/74 is replaced by Annex I of this Regulation.

2. With effect from 9 May 1974 until 11 June 1974, the selling prices fixed in Annex II are applicable to forequarters and hindquarters held by the French intervention agency.

Article 3

This Regulation shall enter into force on 12 June 1974.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 11 June 1974.
