REGULATION (EEC) No 1549/74 OF THE COMMISSION

of 20 June 1974

fixing additional amounts for eggs in shell

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 122/67/EEC [1] of 13 June 1967 on the common organization of the market in eggs, as last amended by the Act [2] annexed to Treaty [3] on the Accession of new Member States to the European Economic Community and the European Atomic Energy Community, signed at Brussels on 22 January 1972, and in particular Article 8 (4) thereof;

Whereas if, for a given product, the free-at-frontier offer price (hereinafter called the 'offer price') falls below the sluice-gate price, the levy applicable to that product must be increased by an additional amount equal to the difference between the sluice-gate price and the offer price determined in accordance with Article 1 of Commission Regulation No 163/67/EEC [4] of 26 June 1967 on fixing the additional amount for imports of poultry-farming products from third countries, as amended by Regulation (EEC) No 2224/70 [5];

Whereas the offer price must be determined for all imports from all third countries; whereas, however, if exports from one or more third countries are affected at abnormally low prices, lower than prices ruling for other third countries, a second offer price must be determined for exports from these other countries;

Whereas, pursuant to Regulation Nos 54/65/EEC [6], 87/66/EEC [7], 183/66/EEC [8], 765/67/EEC [9] and (EEC) No 59/70 [10], the levies on imports of poultry eggs in shell originating in and coming from Poland, Finland, South Africa, Australia or Romania are not increased by an additional amount, in so far as concerns products imported in accordance with Article 4 (a) of Regulation No 163/67/EEC;

Whereas the regular review of the information serving as a basis for the determination of average offer prices for the products listed in Article 1 (1) (a) of Regulation No 122/67/EEC indicates that additional amounts corresponding to the figures shown in the Annex below should be fixed for the imports specified in that Annex;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Poultrymeat and Eggs,

HAS ADOPTED THIS REGULATION:

Article 1

The additional amounts provided for in Article 8 of Regulation No 122/67/EEC are hereby fixed as shown in the Annex for the products listed in Article 1 (1) of that Regulation which appear in the Annex.

Article 2

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 20 June 1974.
