REGULATION (EEC) No 1669/74 OF THE COMMISSION

of 28 June 1974

opening an invitation to tender for the mobilization of common wheat as aid for the Republic of Tunisia

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 120/67/EEC [1] of 13 June 1967 on the common organization of the market in cereals, as last amended by Regulation (EEC) No 1125/74 [2];

Having regard to Council Regulation (EEC) No 1693/72 [3] of 3 August 1972 laying down the conditions for the mobilization of cereals as food aid, and in particular Article 6 thereof;

Whereas on 14 May 1973 the Council of the European Communities declared that by way of Community action it proposed to grant the Republic of Tunisia 10 000 metric tons of common wheat under the 1972/73 food aid programme;

Whereas an analysis of the state of the cereals market in the Community indicates that the criteria of Article 3 (3) of Council Regulation (EEC) No 1693/72 should be applied, and that the product should be bought on the Community market;

Whereas tenders should be invited for the supply of the product fob; that is to say at the moment when the goods are loaded into the hold of the ship in the port of loading;

Whereas the contract should be awarded to the tenderer offering the best terms;

Whereas in case it should be impossible for reasons of *force majeure* to complete the operation in question within the set time limits, it must be made clear who is to bear any costs resulting therefrom;

Whereas provision should be made for security to be given to guarantee fulfilment of the obligations arising by virtue of participation in the invitation to tender for the supply of wheat to the Republic of Tunisia.

Whereas the French intervention agency should be made responsible for the tendering procedure in question;

Whereas the Commission must be informed quickly of the tenders submitted in response to the invitation and of those accepted by the intervention agency;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Cereals,
