THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Whereas Commission Regulation (EEC) No 872/73 [5] of 30 March 1973 fixing production refunds on white sugar used in the chemical industry, has remained the rules to be used for this fixing; whereas these rules settle, in particular, one of the common bases to be used in calculating production refunds on white sugar and the intervention price for white sugar valid for the area in which the place of the processing of the sugar is situated; whereas in this respect it is convenient by the opportunity of the change-over from one sugar marketing year to the next, to apply in future, these rules in calculating for the regions of Ireland and of the United Kingdom in the same way as for the regions of Italy and for the French overseas departments, and consequently to repeal the special provisions on the compensatory amount laid down by the Commission Regulation (EEC) No 364/73 [6] of 31 January 1973 adopting special measures for the new Member States for white sugar used in the chemical industry, as last amended by Regulation (EEC) No 3551/73 [7]; whereas thus, the production refunds must be fixed as shown in the Annex to this Regulation for the period specified therein;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Sugar,
