REGULATION (EEC) No 1686/74 OF THE COUNCIL

of 27 June 1974

fixing for the 1974/75 marketing year the monthly increase in the target and intervention prices for oil seeds

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 136/66/EEC (1) of 22 September 1966 on the establishment of a common organization of the market in oils and fats, as last amended by Regulation (EEC) No 1707/73 (2), and in particular Article 25 thereof;

Having regard to the proposal from the Commission;

Whereas, in accordance with Article 25 of Regulation No 136/66/EEC, the amount by which the target and intervention prices for colza, rape seed and sunflower seeds are increased monthly from the beginning of the third month of the marketing year should be fixed for the 1974/75 marketing year, and the number of months during which such increases are to be applied should be determined; whereas such amount must be the same for both prices;

Whereas such increases must be the same for each month and be fixed by reference to average storage and interest charges recorded in the Community; whereas average storage charges should be determined on the basis of the cost of storing the seed in suitable places and of the handling charges necessary to keep the seed in good condition; whereas interest charges may be calculated on the basis of the rate considered as normal for the production areas;

Whereas, taking into account the aforesaid requirements, the monthly increases for the 1974/75 marketing year should be fixed at a level higher than that of the preceding marketing year;

Whereas the experience gained during the 1973/74 marketing year and harvest forecasts do not justify, for the 1974/75 marketing year, the determination of a number of monthly increases different from that laid down for the preceding marketing year,

HAS ADOPTED THIS REGULATION:

Article 1

1. For the 1974/75 marketing year, the amount of the monthly increases applicable to colza and rape seed shall be 0·230 unit of account per 100 kilogrammes.

2. These increases shall apply for seven months.

Article 2

1. For the 1974/75 marketing year, the amount of the monthly increases applicable for sunflower seed shall be 0·270 unit of account per 100 kilogrammes.

2. These increases shall apply for five months.

Article 3

This Regulation shall enter into force on 1 July 1974.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Luxembourg, 27 June 1974.
