REGULATION (EEC) No 1751/74 OF THE COMMISSION

of 5 July 1974

fixing the export refunds on pigmeat for the period beginning 8 July 1974

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 121/67/EEC [1] of 13 June 1967 on the common organization of the market in pigmeat, as last amended by Regulation (EEC) No 1652/73 [2], and in particular the first sentence of Article 15 (5) thereof;

Whereas Article 15 of Regulation No 121/67/EEC provides that the difference between prices on the world market and prices within the Community for the products listed in Article 1 (1) of that Regulation may be covered by an export refund;

Whereas Council Regulation No 177/67/EEC of 27 June 1967 [3], as amended by Regulation (EEC) No 2686/72 [4], lays down general rules for granting export refunds and criteria for fixing the amount of such refunds;

Whereas it follows from applying these rules and criteria to the present situation on the market in pigmeat that the refund should be fixed as indicated below;

Whereas, facilities exist at present for the export of live pigs, certain products falling within heading No 02.01 A III and salted bellies to European third countries on the Mediterranean, to Portugal, to Switzerland, to Austria and to non-European third countries; whereas a refund should be fixed for these products, taking into account in particular conditions of competition of these markets;

Whereas, for products falling within subheading No 02.06 B I b) 3 bb) and 6 bb), the refund should be limited to an amount which takes account of the qualitative characteristics of each of the products falling within this heading and of the foreseeable trend of production costs on the world market;

Whereas, if existing export outlets for products falling within subheading No 02.06 B I b) 3 aa), 5 aa), 6 aa) and 7 aa) are to be available in the future, the refund should be comparable with that fixed for dried or smoked products;

Whereas, for certain typical Italian products, falling within CCT heading No 02.06 B I b) 3 bb), maintaining participation by the Community in international commerce requires arefund of an amount to be established on taking into account conditions of access to the world market;

Whereas, for products falling within subheading No 02.06 B I b) ex 7, the refund should be granted solely in respect of products of a quality comparable with that of products falling within subheading No 02.06 B I b) 3 and 5; whereas the refund on the former should, therefore, be the same as the refund on the latter;

Whereas, for products falling within subheading No 15.01 A II, provision should be made for an amount which will cover the difference between the most favourable import prices in traditional importing third countries and export prices in exporting Member States;

Whereas, because of conditions of competition in certain third countries, which are traditionally major importers of products falling within subheading Nos 02.05 A I and II, ex 16.01 A, ex 16.01 B I and II, ex 16.02 A II, ex 16.02 B III a) 1 aa), bb) and cc), 2 and 3, set out in the Annex to this Regulation, the refund for these products should be fixed taking this situation into account;

Whereas, since economically significant quantities of other pigmeat products are not being exported at present, there is no need to fix a refund for these products;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Pigmeat,

HAS ADOPTED THIS REGULATION:

Article 1

The list of products on which the export refund referred to in Article 15 of Regulation No 121/67/EEC is granted, and the amount of that refund, are hereby fixed as shown in the Annex.

Article 2

This Regulation shall enter into force on 8 July 1974.

(1) OJ No 117, 19. 6. 1967, p. 2283/67.
(2) OJ No L 166, 23. 6. 1973, p. 1.
(3) OJ No 130, 28. 6. 1967, p. 2614/67.
(4) OJ No L 289, 27. 12. 1972, p. 13.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
