REGULATION (EEC) No 1982/74 OF THE COMMISSION

of 25 July 1974

fixing, for the 1974/75 marketing year, the accession compensatory amounts for certain categories of cereals, for rice and for processed products derived from cereals or rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 229/73 [1] of 31 January 1973 laying down general rules for the system of compensatory amounts for cereals and fixing these for certain products, as last amended by Regulation (EEC) No 1860/74 [2], and in particular Article 9 thereof;

Having regard to Council Regulation (EEC) No 243/73 [3] of 31 January 1973 laying down general rules for the system of compensatory amounts for rice and fixing these amounts for certain products, and in particular Article 7 (1) thereof;

Whereas, in accordance with Article 74 (1) of the Act [4] on the conditions of accession and the adjustments to the Treaties, hereinafter referred to as the 'Act', and Article 2 of Regulation (EEC) No 229/73, the compensatory amounts for cereals for which no derived intervention price is fixed for the new Member States shall be derived from those applicable to the reference cereal for which a derived intervention price is fixed; whereas Article 2 as aforesaid provides that this calculation is to be made by applying coefficients;

Whereas the compensatory amounts for the reference cereals, together with the relevant coefficients, were fixed for the 1974/75 marketing year by Regulation (EEC) No 1860/74; whereas by applying the coefficients to the compensatory amount for the reference cereal the compensatory amounts shown in Annex A are obtained;

Whereas, as regards round-grained husked rice, long-grained husked rice and broken rice, the compensatory amounts are in accordance with Article 80 of the Act to be fixed on the basis of those applicable during the preceding marketing year, and according to the rules on the alignment of prices laid down in Article 52 of the Act;

Whereas the application of the provisions of Articles 74 (2) and 80 (2) of the Act to products coming within Article 1 (c) or (d) of Council Regulation No 120/67/EEC [5] of 13 June 1967 on the common organization of the market in cereals, as last amended by Regulation (EEC) No 1125/73 [6], and of Article 1 (1) (c) of Council Regulation No 359/67/EEC [7] of 25 July 1967 on the common organization of the market in rice, as last amended by Regulation (EEC) No 1129/74 [8], produces the compensatory amounts shown in Annex C;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

For the 1974/75 marketing year, the compensatory amounts applicable to trade between the original Community and the new Member States and between the latter and third countries, shall be as follows:

(7) OJ No 174, 31. 7. 1967, p. 1.
(8) OJ No L 128, 10. 5. 1974, p. 20.
