REGULATION (EEC) No 203/74 OF THE COMMISSION
of 25 January 1974
fixing the sluice-gate prices and levies for poultrymeat

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 123/67/EEC [1] of 13 June 1967 on the common organization of the market in poultrymeat, as last amended by the Act [2], on the Conditions of Accession and Adjustments to the Treaties, and in particular Articles 3 and 7 (1) thereof;

Whereas the sluice-gate prices and levies for the products referred to in Article 1 (1) of Regulation No 123/67/EEC must be fixed quarterly in advance in accordance with the calculation methods laid down in Commission Regulation (EEC) No 2051/73 [3] of 25 July 1973 fixing sluice-gate prices and levies for poultrymeat;

Whereas sluice-gate prices and levies for poultrymeat were last fixed by Regulation (EEC) No 2873/73 [4] for the period from 1 November 1973 to 31 January 1974 and whereas new prices and levies must be fixed for the period from 1 February 1974 to 30 April 1974; whereas these prices should be fixed in principle on the basis of prices for feed grain for the period from 1 May 1973 to 31 October 1973;

Whereas, when the sluice-gate prices applicable from 1 November, 1 February and 1 May are being fixed, trends in world market prices for feed grain shall be taken into account only if the price of the quantity of feed grain shows a minimum variation from that used in calculating the sluice-gate price for the preceding quarter; whereas Council Regulation No 146/67/EEC [5] of 21 June 1967 fixing the rules for calculating the levy and the sluice-gate price for poultrymeat, as amended by Regulation (EEC) No 988/73 [6], fixed this variation at 3 %;

Whereas the price of the quantity of feed grain varies by more than 3 % from that used for the preceding quarter; whereas this trend must therefore be taken into account in fixing the sluice-gate price for the period from 1 February 1974 to 30 April 1974;

Whereas, when the levies applicable from 1 November, 1 February and 1 May are being fixed, trends in world market prices for feed grain shall be taken into account only if at the same time a new sluice-gate price is being fixed;

Whereas new sluice-gate prices are being fixed and levies must consequently be fixed taking into account the trend in price for feed grain;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Poultrymeat and Eggs,

HAS ADOPTED THIS REGULATION:

Article 1

1. The levies provided for in Article 3 of Regulation No 123/67/EEC and the sluice-gate prices provided for in Article 7 thereof for the products referred to in Article 1 (1) of that Regulation are specified in the Annex.

2. However, for products falling within heading No 02.03 and subheading Nos 15.01 B and 16.02 B I of the Common Customs Tariff, in respect of which the rate of duty has been bound within GATT, the levies shall be limited to the amount resulting from that binding.

Article 2

This Regulation shall enter into force on 1 February 1974.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 25 January 1974.

For the Commission
The President
François-Xavier ORTOLI
