REGULATION (EEC) No 212/74 OF THE COMMISSION

of 25 January 1974

amending Regulation (EEC) No 1896/73 as regards the application of intervention measures in respect of certain qualities of beef and veal

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 805/68 [1] of 27 June 1968 on the common organization of the market in beef and veal, as last amended by Regulation (EEC) No 187/73 [2], and in particular Article 6 (5) thereof;

Whereas detailed rules for the application of intervention measures on the market in beef and veal were laid down by Commission Regulation (EEC) No 1896/73 [3] of 13 July 1973, as amended by Regulation (EEC) No 2389/73 [4]; whereas this Regulation fixed the coefficients, provided for in Article 6 (1) and (2) of Regulation (EEC) No 805/68, expressing the ratio between the price of the quality in question and the price of adult bovine animals;

Whereas for some time the market in beef and veal has been characterized by a certain imbalance between supply and demand and yet, at the same time, by unstable prices for the various qualities; whereas in these circumstances it would be advisable to adjust certain of the said coefficients pending their re-examination for the new marketing year;

Whereas it is also necessary, in the current market situation, to apply permanent intervention measures to certain qualities which meet the requirements of the last subparagraph of Article 6 (1) of Regulation (EEC) No 805/68 and to fix the coefficients applicable thereto;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Beef and Veal,

HAS ADOPTED THIS REGULATION:

Article 1

By way of derogation from Annexes I and II to Regulation (EEC) No 1896/74 of the 1973/74 marketing year;

(a) the categories and coefficients referred to in Article 6 (1) of Regulation (EEC) No 805/68 shall be as fixed in Annex I;

(b) the categories and coefficients referred to in Article 6 (2) of the said Regulation shall in respect of the products listed for France and Denmark be as fixed in Annex II.

Article 2

This Regulation shall enter into force on 28 January 1974.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 25 January 1974.

For the Commission

The President

François-Xavier ORTOLI
