Whereas a classification of vine varieties whose cultivation within the Community as originally constituted is approved was established by Commission Regulation (EEC) No 2005/70 [3] of 6 October 1970 on the classification of vine varieties, as last amended by Regulation (EEC) No 925/74 [4];

Whereas the most recent amendments included an amendment to Title I, Subtitle I, Section IV ('Italy') in the Annex to Regulation (EEC) No 2005/70, as a result of which the variety Moscato bianco B is shown as being both recommended and authorized in the province of Nuoro; whereas the said Regulation (EEC) No 2005/70 must therefore be further amended;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Wines,
