Whereas, having regard to that ceiling, the amounts for products originating in any one of the countries or territories listed in Annex B to that Regulation should be within a maximum Community amount representing 50 % of that ceiling, with the exception of certain products for which the maximum amount is to be reduced to the percentage indicated in Annex A to that Regulation; whereas, for those products, this reduced percentage will be 30 %;

Whereas Article 2 (2) of that Regulation provides that the levying of customs duties may be re-established at any time in respect of imports of the products in question originating in any of the said countries or territories once the relevant Community maximum amount has been reached;

Whereas, in respect of appliances, apparatus, accessories and requisites for gymnastics or athletics, or for sports and outdoor games (other than articles falling within heading No 97.04), falling within subheading 97.06 B and C, the ceiling, calculated as indicated above, should be 9 061 000 units of account, and therefore the maximum amount 2 718 300 units of account;
