REGULATION (EEC) No 2265/74 OF THE COMMISSION
of 30 August 1974
amending Regulation (EEC) No 1637/74 so as to make private storage aid available for certain pigmeat products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 121/67/EEC [1] of 13 June 1967 on the common organization of the market in pigmeat, as last amended by Regulation (EEC) No 1861/74 [2], and in particular Article 5 (4) (a) and (b) thereof;

Whereas private storage aid for certain pigmeat products has been granted since 10 July 1974 under Commission Regulation (EEC) Nos 1637/74 [3] of 27 June 1974 on special conditions for granting private storage aid for pigmeat and 1774/74 [4] of 9 July 1974 determining the commencement of intervention measures for pigmeat; whereas, in view of the current situation and forseeable trends on the pigmeat market the possibility of granting such aid should be extended, notably so as to allow for longer periods of storage and to cover products which do not need to be held in cold storage plants, the capacity of which is limited;

Whereas, in these circumstances, the powers available under Commission Regulation (EEC) No 289/71 [5] of 10 February 1971 laying down detailed rules for granting private storage aid for pigmeat, as last amended by Regulation (EEC) No 2264/74 [6], should be used in order to provide for private storage aid in respect of preserved hams, fillets, loins and shoulders, while at the same time unboned shoulders and loins should be inserted in the list of products covered by Regulation (EEC) No 1637/74;

Whereas the Management Committee for Pigmeat has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:

Article 1
