REGULATION (EEC) No 2363/74 OF THE COMMISSION

of 13 September 1974

opening a new invitation to tender for the mobilization of common wheat as aid for the Republic of Togo

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 120/67/EEC [1] of 13 June 1967 on the common organization of the market in cereals, as last amended by Regulation (EEC) No 1996/74 [2];

Having regard to Council Regulation (EEC) No 1693/72 [3] of 3 August 1972 laying down the conditions for the mobilization of cereals as food aid, and in particular Article 6 thereof;

Having regard to Council Regulation (EEC) No 974/71 [4] of 12 May 1971 covering certain measures of conjunctural policy to be taken in the agricultural sector following the temporary widening of the margins of fluctuation in the currencies of certain Member States, as last amended by Regulation (EEC) No 3450/73 [5], and in particular Article 6 (1) thereof;

Whereas on 21 March 1974 the Council of the European Communities declared that by way of Community action it proposed to grant the Republic of Togo 3 500 metric tons of common wheat under the 1973/74 food-aid programme;

Whereas an analysis of the state of the cereals market in the Community indicates that the criteria of Article 3 (1) of Council Regulation (EEC) No 1693/72 should be applied, and that the product should be bought on the Community market;

Whereas tenders should be invited for the supply of the product to the port of shipment in the vicinity of the vessel, the goods to be set down at the place nominated by the recipient or its agent;

Whereas the contract should be awarded to the tenderer offering the best terms;

Whereas in case it should be impossible for reasons of *force majeure* to complete the operation in question within the set time limits, it must be made clear who is to bear any costs resulting therefrom;

Whereas provision should be made for security to be given to guarantee fulfilment of the obligations arising by virtue of participation in the invitation to tender for the supply of wheat to the Republic of Togo;

Whereas the French intervention agency should be made responsible for the tendering procedure in question;

Whereas the Commission must be informed quickly of the tenders submitted in response to the invitation and of those accepted by the intervention agency;

Whereas the prices of soft wheat on the world market exceed at this time to a marked extent the prices ruling in the Community for that product; whereas on the basis of data currently available no immediate change in this position is to be foreseen; whereas under these conditions tenderers can reasonably expect that at the time of delivery of the products in the tender no monetary compensatory amount will be applied to the export by virtue of Article 4 *bis* (2) of Regulation (EEC) No 974/71; whereas however the Commission has proposed to the Council the suppression of paragraph 2 of Article 4 *bis* aforesaid; whereas this measure will have the effect of applying under all circumstances the monetary compensatory amount for transactions with Member States with depreciated currencies and in particular the levying of this amount on exports; whereas in order not to hinder the execution of this present food aid it is expedient to provide that any compensatory amount that might be applied following the suppression of paragraph 2 of Article 4*bis* aforesaid shall not be levied for the products to be delivered by virtue of this present invitation to tender;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:
