REGULATION (EEC) No 2365/74 OF THE COMMISSION

of 16 September 1974

opening an invitation to tender for the supply of butteroil for shipment to certain third countries as food aid to the World Food Programme

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 804/68 [1] of 27 June 1968 on the common organization of the market in milk and milk products, as last amended by Regulation (EEC) No 662/74 [2], and in particular Article 6 (7) thereof;

Whereas Council Regulation (EEC) No 530/74 [3] of 4 March 1974 laying down general rules for the supply of milk fats as food aid to certain developing countries and certain international organizations, provides among others that 15 000 metric tons of butteroil, taken from butter stocks held by the intervention agencies, are placed at the disposal of the World Food Programme; whereas the latter has requested a consignment of 2 918 metric tons of butteroil for shipment to various third countries; whereas this consignment, which shall be considered as having been completed when the butteroil has been deposited in the port of embarkation at the place designated by the WFP or its agent, must be the object of a tender procedure in accordance with Commission Regulation (EEC) No 2121/74 [4] of 9 August 1974 concerning the supply of butteroil as food aid for the World Food Programme;

Whereas to apply Regulation (EEC) No 2121/74 certain detailed information is however required, in particular as regards the time limit for the submission of tenders and the conditions of delivery of the butteroil;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

Article 1

1. Tenders shall be invited, subject to the terms and conditions laid down in Regulation (EEC) No 2121/74, for the costs of manufacture and delivery of 2 918 metric tons of butteroil, divided into the following lots:

Lot A: 565 metric tons for India,
