REGULATION (EEC) No 2518/74 OF THE COMMISSION

of 4 October 1974

on the measures to be taken following the all-round increase with effect from 7 October 1974 of agricultural prices

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 2496/74 [1] of 2 October 1974 varying the prices applicable in agriculture for the 1974/75 marketing year, and in particular Article 4 thereof;

Whereas Regulation (EEC) No 2496/74 provides for an all-round increase in agricultural prices to take effect on 7 October 1974; whereas in certain cases that Regulation lays down only a general rule which requires further clarification; whereas in other cases the amounts specified are only those which are of decisive importance for price levels in the Community; whereas the requisite details must therefore be added and the necessary consequential adjustments made to the other prices and amounts fixed under the provisions of the common agricultural policy must be established;

Whereas for this purpose the existing rules for determining the relevant prices and amounts, as normally applied at the beginning of the marketing year for the relevant products, must be applied as far as possible; whereas prices which are subject to monthly increases have accordingly been fixed at a level corresponding to that applicable at the beginning of the marketing year, without prejudice to the usual monthly increases;

Whereas the amendments should be restricted to that which is strictly essential;

Whereas the export refunds fixed in advance for milk products should be adjusted to bring them into line with the increased prices; whereas, however, only those refunds fixed in advance before the date on which the increase in prices became known should be so adjusted;

Whereas the measures provided for in this Regulation are in accordance with the Opinions of the relevant Management Committees,

HAS ADOPTED THIS REGULATION:

Article 1

1. With effect from 7 October 1974, but for olive oil with effect from 1 November 1974, the prices and amounts set out in the Annex to this Regulation shall be substituted for those fixed previously.

They shall apply for the remainder of their normal period of validity.

2. Prices listed in the Annex to Regulation (EEC) No 2496/74 or in the Annex to this Regulation which are subject to monthly increases are given exclusive of those monthly increases.

Article 2

1. Where the party concerned so requests, refunds fixed in advance before 20 September 1974 in respect of the milk products as specified in Annex VII (D) exported on or after 7 October 1974 shall be adjusted as indicated in the said Annex.

2. The day to be taken into account for determining:

— the date of the advance fixing, shall be the day on which the application for the export licence was

[1] OJ No L 268, 3. 10. 1974, p. 1.

lodged, within the meaning of Article 8 (1) of Regulation (EEC) No 1373/70;

— the date of exportation, shall be the day on which customs formalities as referred to in Article 8 (2) (b) of Regulation (EEC) No 1373/70 are completed.

Article 3

This Regulation shall enter into force on 7 October 1974.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 4 October 1974.
