# REGULATION (EEC) No 2563/74 OF THE COMMISSION

## of 8 October 1974

## fixing additional amounts for ovalbumin and lactalbumin

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 170/67/EEC [1] of 27 June 1967 on the common system of trade for ovalbumin and lactalbumin and repealing Regulation No 48/67/EEC, as amended by Regulation (EEC) No 1081/71 [2], and in particular Article 5 (5) thereof;

Whereas, if for a given product, the free-at-frontier offer price (hereinafter called the 'offer price') falls below the sluice-gate price, the levy applicable to that product must be increased by an additional amount equal to the difference between the sluice-gate price and the offer price determined in accordance with Article 1 of Commission Regulation No 163/67/EEC [3] of 26 June 1967 on fixing the additional amount for imports of poultry-farming products from third countries, as last amended by Regulation (EEC) No 1527/73 [4]; whereas that Article 1 applies by virtue of Article 2 of Commission Regulation No 201/67/EEC [5] of 28 June 1967 on detailed rules for the application of Regulation No 170/67/EEC on the common system of trade for ovalbumin and lactalbumin and repealing Regulation No 48/67/EEC;

Whereas the offer price must be determined for all imports from all third countries; whereas, however, if exports from one or more third countries are effected at abnormally low prices, lower than prices ruling for other third countries, a second offer price must be determined for exports from these other countries;

Whereas, pursuant to Article 2 of Regulation (EEC) No 990/69 [6], the import levies on ovalbumin and lactalbumin originating in and coming from Austria are not increased by an additional amount;

Whereas the regular review of the information serving as a basis for the determination of average offer prices for the products listed in Article 1 of Regulation No 170/67/EEC indicates that additional amounts corresponding to the figures shown in the Annex below should be fixed for the imports specified in that Annex;

Whereas the Management Committee for Poultrymeat and Eggs has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:

*Article 1*

The additional amounts provided for in Article 5 of Regulation No 170/67/EEC are hereby fixed as shown in the Annex for the products listed in Article 1 of that Regulation which appear in the Annex.

*Article 2*

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 8 October 1974.
