REGULATION (EEC) No 2599/74 OF THE COMMISSION

of 11 October 1974

supplementing certain provisions of Regulations (EEC) No 2637/70 and (EEC) No 432/71 as regards advance fixing certificates for beef and veal

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 805/68 [1] of 27 June 1968 on the common organization of the market in beef and veal, as last amended by Regulation (EEC) No 1855/74 [2], and in particular Article 12a (2) thereof;

Whereas Commission Regulation (EEC) No 2637/70 [3] of 23 December 1970 on special detailed rules for the application of the system of import and export licences and advance fixing certificates for agricultural products, as last amended by Regulation (EEC) No 2186/74 [4], laid down *inter alia* special detailed rules for the application of the system of import licences and advance fixing certificates to beef and veal;

Whereas Article 12 (5) of Regulation (EEC) No 805/68 introduced a system whereby the levy on certain beef and veal products originating in and coming from countries which, in view of the length of the sea route, have concluded an agreement in this respect with the Community comprising certain guarantees to be fixed in advance;

Whereas the Eastern Republic of Uruguay has entered into such an agreement with the Community; whereas the advance fixing system should therefore be extended to that country;

Whereas application of such a system is conditional on the entry into force of implementing provisions; whereas Regulation (EEC) No 2637/70 and Commission Regulation (EEC) No 432/71 [5] of 26 February 1971 on information on the working of the system of import licences for beef and veal, as amended by Regulation (EEC) No 2849/71 [6], should therefore be supplemented accordingly;
