REGULATION (EEC) No 2621/74 OF THE COMMISSION

of 16 October 1974

amending and supplementing Regulation (EEC) No 1220/74 fixing export refunds for raw tobacco for the 1973 crop

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 727/70 [1] of 21 April 1970 on the common organization of the market in raw tobacco, as last amended by the Act [2] concerning the conditions of accession and the adjustments to the Treaties, and in particular the first sentence of the third subparagraph of Article 9 (2) thereof;

Whereas Commission Regulation (EEC) No 1220/74 [3] of 15 May 1974 fixed export refunds for certain varieties of raw tobacco from the 1973 crop;

Whereas the data available shows that there are now fewer opportunities for exporting the 'Badischer Geudertheimer' variety and for disposing of it on the Community market than there were when that Regulation first came into force; whereas an export refund should therefore be granted for this variety in respect of the 1972 and 1973 crops;

Whereas it follows from applying the rules and criteria for fixing the refund to existing conditions on the tobacco market, and in particular to prices in the Community and on the world market, that a refund, the amount of which is indicated in the Annexes hereto, should be fixed for exports of the abovementioned variety to the countries listed in the said Annexes;

Whereas the Management Committee for Tobacco has not delivered an opinion within the time limit set by its Chairman,

HAS ADOPTED THIS REGULATION:

Article 1

1. The text of Article 1 of Regulation (EEC) No 1220/74 is replaced by the following:

2. The Annex to Regulation (EEC) No 1220/74 is replaced by Annexes I and II to the present Regulation.
