REGULATION (EEC) No 2651/74 OF THE COMMISSION

of 18 October 1974

opening an invitation to tender for the mobilization of common wheat flour as aid for the Island of Mauritius

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 120/67/EEC [1] of 13 June 1967 on the common organization of the market in cereals, as last amended by Regulation (EEC) No 1996/74 [2];

Having regard to Council Regulation (EEC) No 1693/72 [3] of 3 August 1972 establishing the criteria for the mobilization of cereals to be used as food aid, and in particular Article 6 thereof;

Whereas on 21 March 1974 the Council of the European Communities declared that by way of Community action it proposed to grant to the Island of Mauritius the equivalent of 10 000 metric tons of common wheat, in the form of flour, i.e. 6 624 metric tons of common wheat flour, under its 1973/74 food-aid programme;

Whereas pursuant to Article 3 (3) of Council Regulation (EEC) No 1693/72 the goods may be purchased anywhere on the Community market;

Whereas tenders should be invited for the supply of the product to the port of shipment in the vicinity of the vessel, the goods to be set down at the place nominated by the recipient or its agent;

Whereas the contract should be awarded to the tenderer who makes the best offer;

Whereas it must be made clear who is to bear any costs which arise in the event that for reasons of *force majeure* the operation in question is not completed within the time stipulated;

Whereas provision should be made for security to be given to guarantee fulfilment of obligations arising by virtue of participation in the invitation to tender for the supply of goods to the Island of Mauritius;

Whereas the French intervention agency should be made responsible for organizing the invitation to tender;

Whereas it is important that the Commission be informed without delay of the tenders submitted in response to the invitation and of those accepted by the intervention agency;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

1. An invitation to tender shall be issued in respect of the supply of 6 624 metric tons of common wheat flour to the Island of Mauritius by way of Community food-aid action.

2. The tendering procedure shall take place in France and shall be in respect of two lots.

3. The goods shall be mobilized on the Community market.

4. Shipment shall be from one of the ports laid down in the Annex.

5. The product referred to in paragraph 1 is to be delivered in new jute sacks of a net capacity of 67 kilogrammes to the port of shipment in the vicinity of the vessel. The goods must be set down at the place nominated by the recipient country or its agent, the timing of delivery being settled by the tenderer and the recipient country's agent.

6. The following shall be printed on the sacks:

'Farine de froment tendre — Don de la Communauté économique européenne.'

Article 2

1. The award of the contract shall take place on 31 October 1974.

2. The closing date for submission of tenders shall be 31 October 1974 at 12 noon.

3. The notice of invitation to tender shall be published in the *Official Journal of the European Communities* not less than nine days before the closing date for submission of tenders.

Article 3

The contract shall be awarded to the tenderer who offers the most favourable terms. If it appears,

(1) OJ No 117, 19. 6. 1967, p. 2269/67.
(2) OJ No L 209, 31. 7. 1974, p. 1.
(3) OJ No L 178, 5. 8. 1972, p. 1.

however, that the tenders submitted do not reflect normal market prices and rates, the intervention agency may cancel the invitation to tender.

Article 4

If the tenderer is unable to deliver the goods in compliance with Article 1 (5) on the date given in the notice of invitation to tender as a result of the late availability of the vessels to be used for sea transportation, the resulting costs shall be borne by the intervention agency.

Article 5

1. The successful tenderer shall give security in an amount of 10 units of account per metric ton of goods; the purpose of such security is to guarantee performance of the operations specified in Articles 1 and 6. The security shall be forfeit if those operations are not carried out within the time stipulated, save as regards quantities not delivered for reasons *force majeure*.

2. The security referred to in paragraph 1 may be given in the form of a cash deposit or of a guarantee issued by a credit institution which satisfies the criteria laid down by each Member State.

Article 6

1. The goods referred to in Article 1 which are to be supplied to the Island of Mauritius must meet the following requirements:

Common wheat flour:

— moisture content: 15 % maximum,

— acidity: 4 ml NaOH/n maximum per 100 g (calculated on the dry matter),

— ash content: 0·52 % maximum on the dry matter.

If the goods referred to in Article 1 do not meet the foregoing requirements they shall be rejected and the successful tenderer shall be owner thereof.

2. Tenders for supply to the Island of Mauritius of the goods referred to in Article 1 must relate to products with the following characteristics:

Common wheat flour:

— moisture content: 15 % maximum,

— acidity: 4 ml NaOH/n maximum per 100 g (calculated on the dry matter),

— ash content: 0·52 % maximum on the dry matter.

Article 7

1. French intervention agency shall be responsible for organizing the invitation to tender provided for by this Regulation.

2. It shall forthwith communicate to the Commission the list of firms which have responded to the invitation to tender, specifying the terms of each tender, together with the name and business name of the successful tenderer.

3. On the other hand, if the successful tenderer is established in a Member State other than the one collecting the tenders, and if the product is dispatched through a frontier post of the Member State where the successful tenderer is established, the intervention agency of the latter Member State shall be responsible for the operations relating to the tendering.

In this case, the intervention agency choosing the successful tenderer shall immediately inform the intervention agency of the Member State concerned and shall supply it with all the information which it may require.

4. The intervention agency shall request the successful tenderer to supply the following information:

(a) after each shipment a certificate showing the quantities dispatched and the quality of the products;

(b) the date of departure of the vessels.

The information indicated above shall be forwarded by the intervention agency to the Commission immediately upon receipt.

Article 8

On delivery of the goods at the port of shipment, a handing-over certificate shall be supplied to the successful tenderer, acting as agent for the Community, by the agent of the recipient country or, in the absence of the latter, by the intervention agency of the Member State in whose territory the port of shipment is situated.

Article 9

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 18 October 1974.
