REGULATION (EEC) No 2667/74 OF THE COMMISSION

of 21 October 1974

on an invitation to tender for the export levy for husked long grain rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 359/67/EEC [1] of 25 July 1967 on the common organization of the market in rice, as last amended by Regulation (EEC) No 1129/74 [2];

Having regard to Council Regulation (EEC) No 2737/73 [3] of 8 October 1973 laying down general rules to be applied in the event of the rice market being disturbed, and in particular Article 4 (2) thereof;

Whereas, having regard to the current situation on the rice market, an invitation to tender for the export levy provided for in the first indent of Article 2 (1) of Regulation (EEC) No 2737/73 should be opened in respect of husked long grain rice;

Whereas the detailed rules relating to the organization of the invitations to tender for the purpose of fixing the export levy are contained in Commission Regulation (EEC) No 3197/73 [4] of 23 November 1973 establishing the conditions for the application of the system of tendering for export levies of rice;

Whereas the objective of the invitation to tender can be attained only if the successful tenderer fulfils all the commitments entered into by him when submitting his tender; whereas these commitments include an obligation to lodge an application for an export licence; whereas the security for tender required when the tender is submitted is designed to ensure that this obligation is complied with; whereas it follows that such security will not be discharged where no such application is lodged;

Whereas steps must be taken to ensure the smooth operation of the procedure for tendering for export levies; whereas to this end it is appropriate to prescribe a minimum quantity and a time limit and form for the communication of tenders lodged with the competent authorities;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Cereals,
