REGULATION (EEC) No 2705/74 OF THE COMMISSION

of 25 October 1974

applying Class III to certain citrus fruits for the 1974/75 marketing year

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 1035/72 [1] of 18 May 1972 on the common organization of the market in fruit and vegetables, as last amended by Regulation (EEC) No 2745/72 [2], and in particular Article 4 (1) thereof;

Whereas Commission Regulation (EEC) No 379/71 [3] of 19 February 1971 fixing the common quality standards for citrus fruits defines a Class III for these products;

Whereas, pursuant to the first subparagraph of Article 4 (1) of Regulation (EEC) No 1035/72, Class III is to be applied only if products falling within this class are needed to meet consumer demand; whereas this condition, which has already been recognized as fulfilled for lemons by Commission Regulation (EEC) No 918/74 [4] of 18 April 1974 applying quality Classes 'III' to certain fruit for the 1974/75 marketing year, has also been fulfilled for citrus fruits other than lemons; whereas, in view of the considerable fluctuations in production from one marketing year to another, Class III should be applicable for a limited period only;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Fruit and Vegetables,

HAS ADOPTED THIS REGULATION:

Article 1

The Annex to Regulation (EEC) No 918/74 is amended by the addition of the following:

'Oranges: from 1 October 1974 to 30 June 1975
Mandarins and satsumas, clementines, tangerines and other hybrids:
from 1 November 1974 to 31 March 1975.'

Article 2

This Regulation shall enter into force on the day following its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 25 October 1974.

For the Commission

The President

François-Xavier ORTOLI
