REGULATION (EEC) No 2709/74 OF THE COMMISSION

of 25 October 1974

amending for the third time Regulation (EEC) No 722/74 authorizing the United Kingdom to grant a decreasing national subsidy to pig producers and derogating from the provisions of Regulation (EEC) No 723/74 concerning aid to Irish pig producers

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty [1] on the accession of new Member States to the European Economic Community and to the European Atomic Energy Community, and in particular Article 63 of the Act [2] annexed thereto ;

Whereas the United Kingdom has been authorized by Commission Regulation (EEC) No 722/74 [3] of 29 March 1974, as last amended by Regulation (EEC) No 1678/74 [4], to grant a decreasing national subsidy to pig producers ; whereas the rate of the decrease provided for has been found not to correspond to the trend of the market ; whereas the periods of validity of the various amounts have therefore been adjusted twice ;

Whereas, in order to facilitate a return to a situation corresponding to that existing in the other Member States, it appears desirable to make a further and final adjustment to those amounts ;

Whereas the trend of prices in Ireland warrants the retention, in derogation from Commission Regulation (EEC) No 723/74 [5] of 29 March 1974 concerning aid to Irish pig producers, of the subsidy at the levels previously fixed in that Member State ;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Pigmeat,
