REGULATION (EEC) No 2879/74 OF THE COMMISSION

of 18 November 1974

laying down detailed rules for the application of the special measures for soya beans for the 1974/75 marketing year

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 1900/74 [1] of 15 July 1974 laying down special measures for soya beans, and in particular Article 2 (4) thereof;

Whereas, in view of normal price fluctuations on the world market, it is necessary in order to be able to determine the average world market price for soya beans to ascertain each week what that price is;

Whereas provision should be made for the offers and quotations used for this purpose to be adjusted so as to offset any difference in presentation, quality, terms and place of delivery in relation to those by reference to which the average world market price is determined;

Whereas, in order to ensure that the subsidy system operates as it should, the minimum information to be given in applications for subsidies must be specified, as must the information to be communicated to the Commission by the Member States;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION:

Article 1

1. For the purpose of determining the average world market price for soya beans, a world market price per 100 kilogrammes shall be established each week on the basis of the most favourable offers and quotations for deliveries to be made:

— within 30 days following the date on which the offers and quotations are recorded;

— during the third month following that in which the offers and quotations are recorded.

2. The average world market price shall be the arithmetic mean of the weekly prices referred to in paragraph 1 recorded over the period referred to in Article 1 (2) of Council Regulation (EEC) No 2783/74 [2] of 4 November 1974 on special measures for soya beans for the 1974/75 marketing year.

Article 2

1. Where the offers and quotations are in respect of:

(a) beans put up otherwise than in bulk, the amount thereof shall be reduced by the amount attributable to the form of presentation;

(b) a quality other than the standard quality for which the guide price is fixed, the amount thereof shall be multiplied by the coefficients of equivalence shown in the Annex hereto;

(c) products delivered c and f, the amount thereof shall be increased by 0·2 %;

(d) products delivered cif at a frontier crossing point other than Rotterdam, the amount thereof shall be adjusted by reference to the difference between the freight and insurance costs in question and those for products delivered cif Rotterdam;

(e) products delivered cif Rotterdam, the amount thereof shall be increased by 0·20 unit of account to take account of unloading and forwarding costs;

(f) products delivered fas, fob or otherwise, the amount thereof shall be increased as appropriate by loading, transport and insurance costs from the point of shipment or loading to the frontier crossing point.

2. For the purposes of paragraph 1, only the lowest applicable loading, transport and insurance costs shall be taken into account.

Article 3

Producers wishing to obtain the subsidy provided for in Article 2 (1) of Regulation (EEC) No 1900/74 shall before 16 February 1975 submit to the competent authorities an application for a subsidy containing at least the following particulars:

— the surname, forename, address and signature of the applicant;

— the area sown and harvested, in hectares and ares.

Article 4

Producer Member States shall before 1 January 1975 provide the Commission with particulars of soya bean
