REGULATION (EEC) No 2892/74 OF THE COMMISSION

of 19 November 1974

temporarily suspending the advance fixing of export refunds for certain milk products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 804/68 [1] of 27 June 1968 on the common organization of the market in milk and milk products, as last amended by Regulation (EEC) No 662/74 [2];

Having regard to Council Regulation (EEC) No 876/68 [3] of 28 June 1968 laying down general rules for granting export refunds on milk and milk products and criteria for fixing the amount of such refunds, as last amended by Regulation (EEC) No 2429/72 [4], and in particular the second subparagraph of Article 5 (4) thereof;

Whereas, under existing trade arrangements of the Pecorino cheese falling within subheading ex 04.04 E I a) of the Common Customs Tariff the refund can be fixed, among others for Canada, in advance for exports to be effected during the period of validity of the export licence, whereas there is a danger that, if existing arrangements are adhered to, for that cheese exports to Canada, that trade distortions might arise, to implement appropriate measures based on a detailed examination of the situation, the best course would seem to be to suspend the advance fixing of export refunds for the product in question for three working days,

HAS ADOPTED THIS REGULATION:

Article 1

No refunds shall be fixed in advance for Canada for the Pecorino cheese falling within subheading ex 04.04 E I a) of the Common Customs Tariff during the period 20 to 22 November 1974.

Article 2

This Regulation shall enter into force on 20 November 1974.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 19 November 1974.
