REGULATION (EEC) No 2974/74 OF THE COMMISSION

of 26 November 1974

amending Regulation (EEC) No 721/74 as regards the description of cuts of beef from animals defined under the Belgian national rules

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 805/68 (1) of 27 June 1968 on the common organization of the market in beef and veal, as last amended by Regulation (EEC) No 1855/74 (2), and in particular Article 6 (5) (c) thereof;

Whereas the descriptions of forequarter and hindquarter cuts from animals defined under the Belgian national rules as given in Regulation (EEC) No 721/74 (3) of 29 March 1974, as last amended by Regulation (EEC) No 2518/74 (4) fixing the buying-in prices for permanent intervention on the market in beef and veal applicable from 1 April 1974, no longer correspond to the cuts resulting from the cutting operations normally carried out in Belgium; whereas it therefore appears necessary to adapt the descriptions given;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Beef and Veal,

HAS ADOPTED THIS REGULATION:

Article 1

The section relating to Belgium in the Annex to Regulation (EEC) No 721/74 is replaced by that set out in the Annex to this Regulation.

Article 2

This Regulation shall enter into force on 1 December 1974.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 26 November 1974.
