REGULATION (EEC) No 3029/74 OF THE COMMISSION

of 29 November 1974

on the opening of an invitation to tender for a second quantity of skimmed-milk powder held by the United Kingdom intervention agency

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 804/68 [1] of 27 June 1968 on the common organization of the market in milk and milk products, as last amended by Regulation (EEC) No 662/74 [2], and in particular Article 7 (5) thereof;

Whereas the United Kingdom intervention agency holds certain quantities of skimmed-milk powder which, by reasons of its age and its packaging, which was such as to require derogation in order to enable it to be bought in, is now difficult to conserve and no longer satisfies the requirements of Article 1 (1) of Commission Regulation (EEC) No 1108/68 [3] of 27 July 1968 on detailed rules of application for public storage of skimmed-milk powder, as last amended by Regulation (EEC) No 1636/74 [4]; whereas Commission Regulation (EEC) No 2826/74 [5] of 11 November 1974 on the opening of an invitation to tender for skimmed-milk powder held by the United Kingdom intervention agency, laid down the conditions for the sale of an initial quantity consisting of the oldest lots; whereas it has become necessary to invite tenders for a second quantity; whereas Regulation (EEC) No 2826/74 may be applied as regards the tendering procedure;

Whereas the majority of the lots, because of their high humidity, will be used for animal feeding and will thus qualify for the aid provided for in Article 10 of Regulation (EEC) No 804/68; whereas provision should therefore be made for the origin of the goods to be indicated by means of a description capable of being understood throughout the Community;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

Article 1

Done at Brussels, 29 November 1974.
