REGULATION (EEC) No 3167/74 OF THE COUNCIL

of 10 December 1974

altering the intervention price for butter in respect of Denmark

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 43 thereof;

Having regard to the Treaty [1] concerning the accession of new Member States to the European Economic Community and to the European Atomic Energy Community, and in particular Article 53 of the Act annexed thereto;

Having regard to the proposal from the Commission;

Having regard to the Opinion of the European Parliament;

Whereas Regulation (EEC) No 663/74 [2] fixed *inter alia* the intervention prices for butter for the 1974/75 milk year; whereas those prices were increased by Regulation (EEC) No 2496/74 [3];

Whereas Article 53 of the Act of Accession provides that if the difference between the price level of a product in a new Member State and the common price level is found to be minimal the common price level may be applied;

Whereas the difference between the price obtaining in Denmark and the common price is no longer significant; whereas the common intervention price should therefore be applied in that Member State,

HAS ADOPTED THIS REGULATION:

Article 1

With effect from 1 January 1975, the intervention price for butter shall in Denmark be 183·58 units of account per 100 kilogrammes.

Article 2

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 10 December 1974.

For the Council

The President

Ch. BONNET
