## altering the accession compensatory amounts applicable in trade with Denmark

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty [1] concerning the accession of new Member States to the European Economic Community and to the European Atomic Energy Community signed at Brussels on 22 January 1972;

Having regard to Council Regulation (EEC) No 233/73 [2] of 31 January 1973 laying down general rules for the system of compensatory amounts for milk and milk products, and in particular Article 2 (3) thereof;

Whereas, under Council Regulation (EEC) No 3167/74 [3] of 10 December 1974 altering the intervention price for butter in Denmark, that country is to apply the common intervention price for butter from 1 January 1975; whereas henceforward there will be no price difference giving rise to compensation pursuant to Article 55 of the Act of Accession in trade in milk and milk products between Denmark and the Community as originally constituted; whereas from the above date the same accession compensatory amounts should therefore be applied in trade between Denmark and the other new Member States as those applicable in trade between the Community as originally constituted and the other new Member States, which were fixed in the Annex to Commission Regulation (EEC) No 710/74 [4] of 29 March 1974 fixing the accession compensatory amounts for milk and milk products for the 1974/75 milk year and altered by Annex VII C to Regulation (EEC) No 2518/74 [5];

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:
