REGULATION (EEC) No 391/74 OF THE COMMISSION

of 13 February 1974

re-establishing the levying of customs duties on cotton yarn, not put up for retail sale, falling within subheading No 55.05 A, originating in Colombia, to which the preferential tariff arrangements set out in Council Regulation (EEC) No 3503/73 of 18 December 1973 apply

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 3503/73 [1] of 18 December 1973 establishing preferential tariffs in respect of certain textile products originating in developing countries, and in particular Article 4 (2) thereof;

Whereas Article 1 (3) and (4) of that Regulation provides that customs duties may, for each category of products, be suspended up to a Community ceiling equal to 150 % of the sum arrived at by adding together the value of the products in question, in metric tons, imported into the Community in 1968 and coming from countries listed in Annex B to that Regulation, but not including products coming from countries already covered by various preferential tariff arrangements established by the Community, and 5 % of the 1970 metric tonnage of such imports coming from other countries and from countries already covered by such arrangements; whereas, having regard to that ceiling, the amounts for products originating in any one of the countries listed in Annex B to that Regulation should be within a maximum Community amount representing 50 % of that ceiling; whereas Article 2 (2) of that Regulation provides that the levying of customs duties may be re-established at any time in respect of imports of the products in question originating in any of the said countries once the relevant Community maximum amount has been reached;

Whereas, in respect of cotton yarn, not put up for retail sale, the ceiling, calculated as indicated above, should be 30 metric tons, and therefore the maximum amount 15 metric tons; whereas on 7 February 1974 the amounts of imports into the Community of cotton yarn, not put up for retail sale, falling within subheading 55.05 A, originating in Colombia, a country covered by preferential tariff arrangements, reached that maximum amount; whereas, bearing in mind the objectives of Regulation (EEC) No 3503/73 which provides that maximum amounts should not be exceeded, Common Customs Tariff duties should be re-established in respect of the products in question in relation to Colombia,
