Whereas the proposed invitation to tender should be for supply of the products delivered cif; that is at the moment when the goods are actually removed from the ship's hold at the port of unloading;

Whereas the award under the invitation to tender must be made in favour of the tenderer offering the best terms;

Whereas, should *force majeure* make it impossible to complete the operation in question within the set time limit, it must be made clear who is to bear the liability for any resulting costs;

Whereas provision should be made for security to be given for the purpose of guaranteeing that the obligations arising by virtue of participation in the invitation to tender for supplies to the Arabian Republic of Yemen will be fulfilled;

Whereas the French intervention agency should be made responsible for the tendering procedure in question;

Whereas the Commission must be informed quickly of the tenders submitted in response to the invitation and of those accepted by the intervention agency;
