REGULATION (EEC) No 935/74 OF THE COMMISSION

of 19 April 1974

providing for a special rule for the application of the corrective amount for skimmed-milk powder

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 804/68 (1) of 27 June 1968 on the common organization of the market in milk and milk products, as last amended by Regulation (EEC) No 662/74 (2);

Having regard to Council Regulation (EEC) No 1188/73 (3) of 8 May 1973 fixing the target price for milk and the intervention prices for butter, skimmed-milk powder and Grana Padano and Parmigiano Reggiano cheese for the 1973/74 milk year, and in particular Article 2 (3) thereof;

Having regard to Council Regulation (EEC) No 663/74 (4) of 28 March 1974 fixing the target price for milk and the intervention prices for butter, skimmed-milk powder and Grana Padano and Parmigiano Reggiano cheese for the 1974/75 milk year, and in particular Article 3 (3) thereof;

Whereas the beginning of the 1973/74 milk year corrective amounts, fixed respectively in Commission Regulation (EEC) No 1267/73 (5) of 14 May 1973 and Commission Regulation (EEC) No 712/74 (6) of 29 March 1974, apply to skimmed-milk powder in the trade of Belgium, Germany, Luxembourg and the Netherlands with other Member States and with third countries, the Benelux States being treated for this purpose as a single Member State;

Whereas in Germany and the Netherlands the provisions concerned were until 21 April 1974 applied in trade between these Member States in a way which, although it did not correspond formally to the method laid down, produced the desired economic result; whereas traders had been informed by the national authorities of the method whereby the system was to be applied, and have made their arrangements accordingly;

Whereas, consequently, it appears justified to legalize the method applied until 21 April 1974 in trade between Germany and the Netherlands;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

Article 1

In trade between Germany and the Netherlands the corrective amounts for skimmed-milk powder fixed in Regulation (EEC) Nos 1267/73 and 712/74 shall not apply to products in respect of which the export customs formalities have been completed before 22 April 1974.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 19 April 1974.

For the Commission

The President
