Having regard to Council Regulation (EEC) No 3046/74 ([1]) of 2 December 1974 establishing preferential tariffs in respect of certain cotton textile and like products, originating in developing countries, and in particular Article 4 (2) thereof ;

Whereas Article 2 (2) of that Regulation provides that the levying of customs duties may be re-established at any time in respect of imports of the products in question originating in any of the said countries once the relevant Community maximum amount has been reached ;

Whereas, in respect of sacks and bags, of a kind used for the packing of goods, other, of cotton, the ceiling, calculated as indicated above, should be 292 metric tons, and therefore the maximum amount 146 metric tons ; whereas on 16 April 1975 the amounts of imports into the Community of sacks and bags, of a kind used for the packing of goods, other, of cotton, originating in Pakistan, a country covered by preferential tariff arrangements, reached that maximum amount ; whereas, bearing in mind the objectives of Regulation (EEC) No 3046/74, which provides that maximum amounts should not be exceeded, customs duties should be re-established in respect of the products in question in relation to Pakistan,
