REGULATION (EEC) No 1015/75 OF THE COMMISSION

of 18 April 1975

suspending the advance fixing of accession compensatory amounts for certain products processed from common wheat

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community ;

Having regard to the Treaty [1] concerning the accession of new Member States to the European Economic Community and to the European Atomic Energy Community, signed in Brussels on 22 January 1972 ;

Having regard to Council Regulation (EEC) No 229/73 [2] of 31 January 1973 laying down general rules for the system of compensatory amounts for cereals and fixing these amounts for certain products, as last amended by Regulation (EEC) No 1860/74 [3], and in particular Article 6 (2) thereof ;

Whereas Commission Regulation (EEC) No 3280/73 [4] of 4 December 1973 establishing a system for the advance fixing of accession compensatory amounts and laying down detailed rules for its application in respect of cereal and rice products, as completed by Regulation (EEC) No 1580/74 [5], established the advance fixing of accession compensatory amounts in trade with third countries and between Member States ;

Whereas in certain Member States applications for advance fixing certificates have recently been lodged in respect of large quantities of rolled or flaked common wheat ; whereas abnormal intra-Community trade in this product may affect the smooth working of the market organization ; whereas the provisions relating to advance fixing of the accession compensatory amount should therefore be suspended ;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION :

Article 1

1. Advance fixing of the accession compensatory amount for products falling within CCT subheading 11.02 E II a) is suspended.

2. During the period of suspension of advance fixing the provisions of Article 2 of Regulation (EEC) No 3280/73 shall not apply in respect of the products referred to in paragraph 1.

Article 2

This Regulation shall enter into force on 21 April 1975.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
