REGULATION (EEC) No 1051/75 OF THE COMMISSION

of 23 April 1975

amending Regulation (EEC) No 3326/74 fixing for the 1975 fishing year reference prices for fishery products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 2142/70 [1] of 20 October 1970 on the common organization of the market in fishery products, as last amended by Regulation (EEC) No 2682/74 [2], and in particular the first subparagraph of Article 18 (6) thereof;

Whereas Article 18 (1) of Regulation (EEC) No 2142/70 provides *inter alia* for Community reference prices to be fixed annually for the products listed in Annexes I (A) and (C), II and IV (B) to that Regulation;

Whereas the reference prices for the 1975 fishing year were fixed by Regulation (EEC) No 3326/74 [3] for the products specified in the said Annexes I (A) and (C) and II and for frozen mackerel as specified in the said Annex IV (B);

Whereas the current position on Community markets regarding the importation of all the species listed in Annex IV (B) to Regulation (EEC) No 2142/70 may make it necessary to adopt measures to protect Community production; whereas it is essential to fix reference prices in order to implement such measures; whereas reference prices must therefore be fixed for these species;

Whereas, in accordance with the second subparagraph of Article 18 (2), the reference prices for these products are determined on the basis of the reference price for the fresh product;

Whereas Regulation (EEC) No 3326/74 fixed a reference price for frozen mackerel which applies whether the fish are whole or filleted; whereas the situation as regards the importation of these products requires that a different reference price be fixed for frozen fillets;

Whereas the Management Committee for Fishery Products has not delivered an opinion within the time limit set by its Chairman,

HAS ADOPTED THIS REGULATION:
