REGULATION (EEC) No 1054/75 OF THE COMMISSION
of 22 April 1975
fixing the compensatory amounts for eggs

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty [1] concerning the accession of new Member States to the European Economic Community and the European Atomic Energy Community, signed at Brussels on 22 January 1972;

Having regard to Council Regulation (EEC) No 237/73 [2] of 31 January 1973 laying down general rules for the system of compensatory amounts for eggs, as amended by Regulation (EEC) No 2880/73 [3], and in particular Article 9 (3) thereof;

Whereas the compensatory amounts for egg products were fixed by Council Regulation (EEC) No 237/73 and Commission Regulations (EEC) No 2053/73 [4] and (EEC) No 2518/74 [5]; whereas, however, the compensatory amounts are determined in accordance with Article 4 of Regulation (EEC) No 237/73 where the situation envisaged in Article 7 of Council Regulation (EEC) No 229/73 [6] of 31 January 1973 laying down general rules for the system of compensatory amounts for cereals arises;

Whereas in the sector of eggs the calculation of the compensatory amounts for trade with Denmark results in minimal amounts; whereas there is therefore no need to fix a compensatory amount applicable to that country,

HAS ADOPTED THIS REGULATION:

Article 1

The amounts provided for in Article 4 of Regulation (EEC) No 237/73 as compensatory amounts for eggs, ovalbumin and lactalbumin for the period May, June and July 1975 are fixed in the Annex hereto.

Article 2

This Regulation shall enter into force on 1 May 1975.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 22 April 1975.

For the Commission

P. J. LARDINOIS

Member of the Commission
