# REGULATION (EEC) No 1094/75 OF THE COMMISSION

## of 28 April 1975

## further amending Regulation (EEC) No 2163/74 as regards the date by which animals eligible for the premium for the orderly marketing of certain adult bovine animals for slaughter must be slaughtered

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 805/68 ([1]) of 27 June 1968 on the common organization of the market in beef and veal, as last amended by Regulation (EEC) No 1855/74 ([2]), and in particular Article 22a (3) thereof;

Having regard to Council Regulation (EEC) No 1967/74 ([3]) of 23 July 1974 introducing a system of premiums for the orderly marketing of certain adult bovine animals for slaughter, as last amended by Regulation (EEC) No 462/75 ([4]), and in particular Article 4 (2) (g) thereof;

Whereas the second subparagraph of Article 3 (2) of Commission Regulation (EEC) No 2163/74 ([5]) of 14 August 1974 laying down detailed rules for the application of the system of premiums for the orderly marketing of certain adult bovine animals for slaughter, as last amended by Regulation (EEC) No 567/75 ([6]), stipulates that all animals in respect of which a premium has been granted according to the date on which they were first offered for sale for slaughter must be slaughtered within 15 days of that date and by 30 April 1975 at the latest;

Whereas Council Regulation (EEC) No 464/75 ([7]) of 27 February 1975 establishing systems of premiums for producers of bovine animals, introduced a premium on the slaughter, during the period 1 May 1975 to 29 February 1976, of certain adult bovine animals;

Whereas Article 3 of Commission Regulation (EEC) No 848/75 ([8]) of 1 April 1975 laying down detailed rules for the application of the systems of premiums for producers of bovine animals, stipulates that all animals in respect of which a premium has been granted according to the date on which they were first offered for sale for slaughter must be slaughtered within 28 days of that date; whereas it is therefore desirable, in order to ensure a harmonious transition from the systems of premiums in force before 1 May 1975 to those applicable after that date, to amend accordingly the date specified in the second subparagraph of Article 3 (2) of Regulation (EEC) No 2163/74 by allowing 15 days for the slaughter of all animals in respect of which a premium has been granted according to the date on which they were first offered for sale during April 1975;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Beef and Veal,

HAS ADOPTED THIS REGULATION:

*Article 1*

The date '30 April 1975' in the second subparagraph of Article 3 (2) of Regulation (EEC) No 2163/74 is replaced by '15 May 1975'.

*Article 2*

This Regulation shall enter into force on 30 April 1975.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
