REGULATION (EEC) No 1119/75 OF THE COUNCIL

of 14 April 1975

extending, in respect of the German Democratic Republic, to other products, the Annex to Regulation (EEC) No 109/70 establishing common rules for imports from State-trading countries

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 109/70 [1] of 19 December 1969 establishing common rules for imports from State-trading countries, as last amended by Regulation (EEC) No 942/75 [2], and in particular Article 2 thereof;

Having regard to the proposal from the Commission;

Whereas, under the Protocol on German Internal Trade and connected problems, annexed to the Treaty, the application of the provisions of the common commercial policy requires no change in the treatment currently accorded to trade between the Federal Republic of Germany and the German Democratic Republic, this trade being a part of German internal trade;

Whereas as regards certain products, any quantitative restrictions in respect of the German Democratic Republic have been abolished by all the Member States other than the Federal Republic of Germany;

Whereas the extension of the Annex to Regulation (EEC) No 109/70 to imports of the products concerned is not likely to create a situation in which the application of protective measures, as laid down in Title IV of the abovementioned Regulation would be justified;

Whereas the said Annex may, accordingly, be extended to cover imports of such products into the Community, on the understanding, however, that it does not apply to trade between the Federal Republic of Germany and the German Democratic Republic;

Whereas, in order particularly to ensure consistency between the common rules for imports from both the German Democratic Republic and other State-trading countries, provision should be made for the special exceptions granted to the United Kingdom and Ireland in respect of similar imports from other State-trading countries, under Annex VII to the Act of Accession [3], to apply also to imports from the German Democratic Republic;

Whereas the Annex to Regulation (EEC) No 109/70 has been amended on several occasions; whereas, for practical reasons, the Commission should be authorized to update it and to ensure its publication,

HAS ADOPTED THIS REGULATION:

Article 1

The Annex to Regulation (EEC) No 109/70 shall be extended to include imports of the products listed in the Annex to this Regulation in respect of the third country indicated by an 'X'.

Article 2

The Commission shall be authorized to publish the Annex to Regulation (EEC) No 109/70 in its updated version.
