REGULATION (EEC) No 1294/75 OF THE COMMISSION

of 22 May 1975

fixing the price for the sale at reduced prices of preserved beef and veal held by the Belgian intervention agency to certain social institutions and categories

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 805/68 (1) of 27 June 1968 on the common organization of the market in beef and veal, as last amended by Regulation (EEC) No 1855/74 (2), and in particular Article 7 (3) thereof;

Whereas Commission Regulation (EEC) No 2035/74 (3) of 31 July 1974 provides for the sale at reduced pre-set prices of certain qualities of beef and veal held by the intervention agencies to certain social institutions and categories; whereas the selling prices for hindquarters were fixed by Commission Regulation (EEC) No 2036/74 (4) of 31 July 1974;

Whereas the institutions and categories in question usually have fairly limited requirements and cold storage facilities; whereas it may therefore be advisable for them to be able to buy preserves rather than frozen meat; whereas it should therefore be possible to buy preserves held in intervention storage;

Whereas Italy and Belgium are at present the only Member States which avail themselves of the possibility of selling beef and veal to social institutions and categories; whereas, since the Italian intervention agency has no stocks of beef and veal preserves, sales of such products should initially be restricted to the stocks held by the Belgian intervention agency;

Whereas, account taken of the destination of the products in question, the selling price should be lower than that recorded on the market for comparable products;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Beef and Veal,

HAS ADOPTED THIS REGULATION:

Article 1

The selling price for beef and veal preserves held by the Belgian intervention agency and intended for social institutions and bodies authorized in accordance with Article 1 (1) of Regulation (EEC) No 2035/74 is hereby fixed at 125 units of account per 100 kilogrammes net weight.

Article 2

This Regulation shall enter into force on 1 June 1975.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
