REGULATION (EEC) No 1407/75 OF THE COMMISSION

of 30 May 1975

amending the provisions of Regulations (EEC) No 1208/75 and (EEC) No 1209/75 governing the forfeiture of securities under the arrangements for the importation of calves and young bovine animals for fattening

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 805/68 (1) of 27 June 1968 on the common organization of the market in beef and veal, as last amended by Regulation (EEC) No 1855/74 (2), and in particular Article 21 (2) thereof;

Whereas Commission Regulation (EEC) No 1208/75 (3) of 30 April 1975 concerning the issue while protective measures are in force of import licences for certain young bovine animals of highland breeds for fattening, and Commission Regulation (EEC) No 1209/75 (4) of 30 April 1975 concerning the issue while protective measures are in force of import licences for 45 000 calves and young bovine animals for fattening, provide for the lodging of security intended to ensure fulfilment of the obligations arising under import licences and of the obligation to fatten the animals for a specified period; whereas, however, the loss of the total amount of the security seems excessive where a trader has not imported within the prescribed period; whereas the amount of the security to be forfeit in such cases should therefore be reduced to that normally prescribed for the issue of import licences,

HAS ADOPTED THIS REGULATION:

Article 1

The following subparagraph is added to Article 3 (2) of Regulation (EEC) No 1208/75 and to Article 4 (2) of Regulation (EEC) No 1209/75:

'However, for any animal in respect of which the import licence has not been utilized the amount to be forfeit shall be five units of account only.'

Article 2

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities.*

It shall apply in respect of securities lodged in accordance with Regulations (EEC) No 1208/75 and (EEC) No 1209/75 since their entry into force.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
