Whereas Article 6 (1) of Regulation (EEC) No 2358/71 provides that a reference price for each type of hybrid maize for sowing shall be fixed annually; whereas these reference prices must be fixed on the basis of the free-at-frontier prices recorded during the past three marketing years, abnormally low prices being disregarded; whereas pursuant to Article 2 of Council Regulation (EEC) No 1578/72 [3] of 20 July 1972 laying down general rules for fixing the reference prices and determining free-at-frontier offer prices for hybrid maize for sowing, only prices for third country imports which are representative as regards quantity and quality should be taken into account;

Whereas Article 1 of the last-named Regulation defines the conditions of marketing and putting up for sale to be taken into consideration for the purpose of fixing the reference price;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Seeds,
