REGULATION (EEC) No 1529/75 OF THE COMMISSION

of 16 June 1975

on the sale at pre-set prices of certain boned beef held by the intervention agencies

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 805/68 (1) of 27 June 1968 on the common organization of the market in beef and veal, as last amended by Regulation (EEC) No 1855/74 (2), and in particular Article 7 (3) thereof;

Whereas Commission Regulation (EEC) No 79/75 (3) of 14 January 1975, as amended by Regulation (EEC) No 1282/75 (4), provides for the sale by monthly tendering procedures of boned beef held by the intervention agencies; whereas not all the meat offered for tender has been allocated; whereas in particular tenders to whom no allocation has been made might be interested in taking supplies of meat;

Whereas, therefore, it is appropriate to sell at pre-set prices certain boned beef in accordance with Articles 2 to 6 of Commission Regulation (EEC) No 216/69 (5) of 4 February 1969 on detailed rules of application for the disposal of frozen beef and veal bought in by intervention agencies, while providing for certain derogations which appear necessary, particularly as regards payment for the goods; whereas in order to avoid exerting a negative influence upon the normal course of tendering procedures, sales at set prices may only take place for a limited period;

Whereas *force majeure* may interrupt removal from storage; whereas therefore in such a case the intervention agencies should be permitted to take necessary action;

Whereas the Management Committee for Beef and Veal has not delivered an opinion within the time limit set by its Chairman,

HAS ADOPTED THIS REGULATION:

Article 1

1. During the period from 18 June to 4 July 1975, boned meat, of the quality and prices listed in Annex I, shall be sold in accordance with Articles 2 to 6 of Regulation (EEC) No 216/69 to the extent that stocks are available.

2. Information concerning quantities available and the places where the products are stored may be obtained by those interested from the addresses listed in Annex II.

Article 2

By way of derogation from Article 5 (1) of Regulation (EEC) No 216/69 the price shall be paid as and when the goods are removed from store in proportion to the quantities removed and not later than the day proceding each removal.

Article 3

By way of derogation from Article 4 (5) of Regulation (EEC) No 216/69 and if the quantities available from an intervention agency are less than those for which offers have been made on the day of entry into force of this Regulation, all such offers shall be considered to have been made at the same time.

Article 4

Where by reason of *force majeure* the puchaser is unable to comply with the time limit set for taking delivery, the intervention agency shall take such action as it considers necessary having regard to the circumstances involved.

The intervention agency shall inform the Commission of each case of *force majeure* and of the action taken in respect thereof.

Article 5

This Regulation shall enter into force on 17 June 1975.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 16 June 1975.
