REGULATION (EEC) No 1682/75 OF THE COMMISSION

of 30 June 1975

extending the period of validity of protective measures in respect of the import of tunny for industrial manufacture

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 2142/70 (1) of 20 October 1970 on the common organization of the market in fishery products, as last amended by Regulation (EEC) No 1182/75 (2), and in particular Article 20 (2) thereof;

Whereas Commission Regulation (EEC) No 460/75 (3) of 26 February 1975, as last amended by Regulation (EEC) No 1245/75 (4), laid down protective measures in respect of the import into France until 1 July 1975 of tunny for the industrial manufacture of products falling within heading No 16.04 of the Common Customs Tariff; whereas the French Republic submitted on 24 June 1975 a request for the extension of these measures;

Whereas the situation on the French market for this product has not improved since the last decision in the matter; whereas this market in fact continues to be characterized by serious difficulties in the marketing of production and by the size of unsold stocks; whereas according to recent forecasts this situation is not expected to improve in the near future; whereas the risk of disturbance of the market by imports coming from third countries as outlined in Regulation (EEC) No 460/75 continues to exist; whereas it is therefore necessary to maintain the present system,

HAS ADOPTED THIS REGULATION:

Article 1

In Article 1 of Regulation (EEC) No 460/75, the date '1 July 1975' is replaced by '1 October 1975'.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
