REGULATION (EEC) No 1715/75 OF THE COMMISSION

of 2 July 1975

altering the export refunds on eggs for the period beginning 7 July 1975

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 122/67/EEC (1) of 13 June 1967 on the common organization of the market in eggs, as last amended by the Act (2) annexed to the Treaty of Accession, and in particular the first sentence of the fifth subparagraph of Article 9 (2) thereof;

Whereas the export refunds in the egg sector were last fixed by Commission Regulation (EEC) No 1227/75 (3) of 14 May 1975;

Whereas the situation on the Community egg market has for some time been conspicuous for a downward tendency; whereas this tendency has led, for the Member State most affected, to the adoption of protective measures under Article 135 of the Act of Accession; whereas this price situation has moreover had an inhibiting effect on exports; whereas it is in consequence appropriate to increase in respect of certain destinations the refund on eggs in shell other than hatching eggs,

HAS ADOPTED THIS REGULATION:

Article 1

The list of products for which the export refund referred to in Article 9 of Regulation No 122/67/EEC is granted, and the amount of that refund, are hereby fixed as shown in the Annex hereto.

Article 2

This Regulation shall enter into force on 7 July 1975.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 2 July 1975.

For the Commission

P. J. LARDINOIS

Member of the Commission
