REGULATION (EEC) No 1807/75 OF THE COMMISSION

of 14 July 1975

amending Regulation (EEC) No 2637/70 as regards the security in respect of export licences for cereals and rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 120/67/EEC (1) of 13 June 1967 on the common organization of the market in cereals, as last amended by Regulation (EEC) No 665/75 (2), and in particular Article 12 (2) thereof;

Whereas Commission Regulation (EEC) No 2637/70 (3) of 23 December 1970 on special detailed rules for the application of the system of import and export licences and advance fixing certificates for agricultural products, as last amended by Regulation (EEC) No 1435/75 (4), fixed at five units of account per metric ton the security to be given in the case of a licence in respect of which the export refund or the export levy is fixed in advance for all cereals and products processed from cereals and rice except for malt and rice;

Whereas the purpose of the arrangements for the provision of security can be achieved only if the amount of the security is fixed at a level which as far as possible guarantees compliance with the obligations deriving from a licence; whereas in order to attain this objective as regards exports the amount of the security for all cereals and products processed from cereals and rice should be increased, with the exception of that for malt and rice, which has already been increased;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Cereals,
