REGULATION (EEC) No 1855/75 OF THE COMMISSION

of 16 July 1975

on the issue of an invitation to tender for the costs of delivering skimmed-milk powder as food aid to Mali and Upper Volta

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 804/68 [1] of 27 June 1968 on the common organization of the market in milk and milk products, as last amended by Regulation (EEC) No 740/75 [2], and in particular Articles 7 (5) and 28 thereof;

Whereas Council Regulation (EEC) No 3582/73 [3] of 28 December 1973 laying down general rules for the supply of skimmed-milk powder as food aid to the countries of the Sahel and Ethiopia, provides for 14 000 metric tons of skimmed-milk powder to be supplied to those countries;

Whereas Mali and Upper Volta have requested the supply, as emergency aid, of 200 metric tons of skimmed-milk powder; whereas the costs of delivering this supply must be put out to tender as provided in Commission Regulation (EEC) No 192/74 [4] of 18 January 1974 on the supply of skimmed-milk powder as food aid to the countries of the Sahel and Ethiopia;

Whereas certain items must be specified in pursuance of Regulation (EEC) No 192/74, such as the time limit for the submission of tenders and the terms of delivery of the skimmed-milk powder; whereas it may prove necessary, owing to congestion at the proposed port of destination, to divert the skimmed-milk powder to another; whereas provision should therefore be made for amending, should the need arise, the costs already agreed on;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

Article 1

Tenders are hereby invited, pursuant to Regulation (EEC) No 192/74, for the delivery cif in the sense of Article 3 (1) of a lot of 400 metric tons of skimmed-milk powder from the port of Abidjan, of which:

— 200 metric tons to Mali, and

— 200 metric tons to Upper Volta.

Article 2

1. The skimmed-milk powder shall be removed from the premises of the French intervention agency.

2. It shall be packed according to Annex I to Commission Regulation (EEC) No 1108/68 [5] of 27 July 1968 on detailed rules of application for public storage of skimmed-milk powder, as last amended by Regulation (EEC) No 1093/75 [6].

The intervention agency shall procure that the packing is marked in letters at least 1 cm high:

— for the 200 metric tons to Mali:

'Lait écrémé en poudre — Don de la Communauté économique européenne à la République du Mali — A distribuer gratuitement';

— for the 200 metric tons to Upper Volta:

'Lait écrémé en poudre — Don de la Communauté économique européenne à la République de Haute Volta — A distribuer gratuitement'.

3. Loading shall take place as soon as possible and not later than 25 August 1975.

Article 3

1. Tenders are invited to determine delivery costs incurred between removal of the goods from the intervention agency's storage depot and the time when the presence of the goods is effectively deposed on the quay at the port of unloading.

2. The time limit for the submission of tenders is 29 July 1975 at 12 noon.

(5) OJ No 184, 29. 7. 1968, p. 34.
(6) OJ No 109, 29. 4. 1975, p. 5.

Article 4

The French Government shall ensure that the successful tenderer inform the recipient country, the representative of the intervention agency at the port of unloading, and the Commission :

— as soon as possible after the goods have been loaded on board ship, of details of the ship, the loading date, the quantity and quality of the goods as recorded on shipment and the port of unloading,

— at least 10 clear days before arrival at the port of unloading, of the expected date of arrival,

— at least 72 hours before the ship's arrival in port, of the date of arrival.

Article 5

When the delivery provided for in Article 3 (1) has been completed the representative of the intervention agency shall issue the successful tenderer with a certificate to the effect that delivery has been taken of the quantity of goods taken over from the intervention agency.

Article 6

1. On request of the Commission nominating a port other than that provided for in Article 1, the French intervention agency may in agreement with the successful tenderer have the skimmed-milk powder delivered to the new nominated port.

2. In such case the French intervention agency is to agree with the successful tenderer any cost reduction or increase against the costs originally agreed.

3. The intervention agency shall forthwith communicate to the Commission the agreed new amount of costs.

Article 7

1. The intervention agency shall take all measures necessary to ensure that the skimmed-milk powder for which a contract is awarded is transported rapidly from the port of unloading to the destination points mentioned by the authorities of the recipient countries and communicated by the Commission to the intervention agency concerned.

2. Private contracts shall be negotiated on the best terms possible by the intervention agency for the cost of transport mentioned in paragraph 1, account being taken of prevailing transport terms and of the urgency of delivery.

3. The intervention agency shall communicate immediately to the Commission a copy of the private contract.

Article 8

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.
