REGULATION (EEC) No 1860/75 OF THE COMMISSION
of 18 July 1975
on the granting of private storage aid for beef

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 805/68 (1) of 27 June 1968 on the common organization of the market in beef and veal, as last amended by Regulation (EEC) No 1855/74 (2), and in particular Articles 6 (5) (b) and 8 (2) thereof;

Whereas Article 6 (3) of Regulation (EEC) No 805/68 provides that intervention measures shall be taken for the whole of the Community when the price for adult bovine animals as recorded on representative Community markets in accordance with Article 10 of the same Regulation is lower than 93 % of the guide price; whereas this conditions is fulfilled at present;

Whereas, in the present and foreseeable state of the market, aid should be granted to private storage;

Whereas, in order to facilitate storage operations, it appears appropriate to amend certain conditions laid down in Commission Regulation (EEC) No 1071/68 (3) of 25 July 1968 laying down detailed rules granting private storage for beef and veal, and in particular those concerning the security required and the time elapsing between slaughter and placing in private storage; whereas the consequences of putting too small a quantity into storage and of withdrawing meat prematurely should also be specified;

Whereas Article 3 of Council Regulation (EEC) No 989/68 (4) of 15 July 1968 laying down general rules for granting private storage aid for beef and veal provides that a decrease or an increase of the storage period can be decided on if the market situation calls for it; whereas it is therefore appropriate to fix, in addition to the amounts of aid for a specified storage period, amounts to be deducted when this period is shortened;

Whereas, in order to avoid financing normal storage, it appears desirable to specify a high minimum quantity;

Whereas it is desirable, having regard to the present abundance of beef on the Community market, to allow the products stored to be exported before the expiry of the storage period, subject to a provision for a minimum period of storage;

Whereas the amount of the security required should be such as to oblige the storer to fulfill the obligations undertaken by him;

Whereas, pursuant to Article 4 (2) of Council Regulation (EEC) No 1134/68 of 30 July 1968 laying down general rules for the implementation of Regulation (EEC) No 653/68 (5) on conditions for alterations to the value of the unit of account used for the common agricultural policy, the sums owed by a Member State or a duly authorized body, expressed in national currency and representing amounts fixed in units of account, are paid on the basis of the relationship between the unit of account and the national currency obtained at the time when the transaction or part transaction was carried out;

Whereas, pursuant to Article 6 of the Regulation referred to above, the time when a transaction is carried out is considered as being the date on which occurs the event, as defined by Community rules or, in the absence of and pending adoption of such rules of the Member States concerned, in which the amount involved in the transaction becomes due and payable;

Whereas, in respect of private storage aid for beef, the rate of exchange to be used for calculating the amount of this aid in national currency should be that obtaining at the time when the contract for private storage aid is concluded;

(1) OJ No L 148, 28. 6. 1968, p. 24.
(2) OJ No L 195, 18. 7. 1974, p. 14.
(3) OJ No L 180, 26. 7. 1968, p. 19.
(4) OJ No L 169, 18. 7. 1968, p. 10.
(5) OJ No L 188, 1. 8. 1968, p. 1.

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Beef and Veal,
