REGULATION (EEC) No 1868/75 OF THE COMMISSION

of 22 July 1975

fixing the sluice-gate prices and levies on pigmeat

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 121/67/EEC (1) of 13 June 1967 on the common organization of the market in pigmeat, as last amended by Regulation (EEC) No 1861/74 (2), and in particular Articles 8 and 12 (1) thereof;

Whereas for pig carcases and the other products listed in Article 1 of Council Regulation No 134/67/EEC (3) of 13 June 1967 establishing the list of products for which sluice-gate prices are fixed and adopting the rules for fixing the sluice-gate price for pig carcases, as last amended by Regulation (EEC) No 3158/73 (4), the sluice-gate prices must be fixed in advance for each quarter; whereas the sluice-gate prices were last fixed by Regulation (EEC) No 919/75 (5) for the period 1 May to 31 July 1975 and must be fixed anew for the period 1 August to 31 October 1975;

Whereas the sluice-gate price for pig carcases is made up of three components;

Whereas the first amount is to be equal to the value on the world market of a quantity of feed grain equivalent to the quantity of feedingstuffs required for the production in third countries of one kilogramme of pigmeat, such quantity being determined and composed as provided in Article 2 (1) of Regulation No 134/67/EEC;

Whereas the price of that quantity of cereals is to be established in accordance with Article 2 (2) and (3) of Regulation No 134/67/EEC;

Whereas the said Article 2 provides that the price of each cereal on the world market shall be equal to the average cif price of this cereal for the period of six months preceding the quarter during which the component in question is calculated; whereas that period runs from 1 November 1974 to 30 April 1975;

Whereas the second amount, representing the extra cost, over feed grain, of feedingstuffs other than grain required for the production of one kilogramme of pigmeat, is in accordance with Article 3 (1) of Regulation No 134/67/EEC to be 15 % of the value of the quantity of feed grain;

Whereas the third amount, representing overhead costs of production and marketing, is in accordance with Article 3 (2) of Regulation No 134/67/EEC to be 20 units of account per 100 kilogrammes of pig carcases;

Whereas the sluice-gate prices of products listed in Article 1 of Regulation No 134/67/EEC, other than pig carcases, is to be derived from the sluice-gate price for pig carcases on the basis of the coefficients fixed for such products pursuant to Article 10 (4) of Regulation No 121/67/EEC by Commission Regulation No 204/67/EEC (6) of 28 June 1967 fixing coefficients for calculating levies on pigmeat products other than pig carcases, as last amended by Regulation (EEC) No 3406/73 (7);

Whereas imports into the Community of any of the products listed in Article 1 (1) of Regulation 121/67/EEC are to be subject to a levy fixed in advance for each quarter; whereas levies were last fixed by Regulation (EEC) No 919/75 for the period 1 May to 31 July 1975 and must therefore be fixed anew for the period 1 August to 31 October 1975;

Whereas the levy applicable to pigmeat is made up of two components;

Whereas the first component is to be equal to the difference between prices within the Community and on the world market for the quantity of feed grain determined and composed as provided in Article 1 of Council Regulation No 133/67/EEC (8) of 13 June 1967 laying down the rules for calculating a component of the levy on pig carcases;

Whereas the price of the quantity of feed grain within the Community is to be determined in accordance with Article 2 of Regulation No 133/67/EEC; whereas the price of the like quantity on the world market is to be determined in accordance with Article 3 of that Regulation;

Whereas the said Article 3 provides that the world market price for each cereal shall be equal to the average of the cif prices determined for this cereal for the period of six months preceding the quarter during which the first component in question is calculated; whereas that period runs from 1 November 1974 to 30 April 1975;

(1) OJ No 117, 19. 6. 1967, p. 2283/67.
(2) OJ No L 197, 19. 7. 1974, p. 3.
(3) OJ No 120, 21. 6. 1967, p. 2367/67.
(4) OJ No L 322, 23. 11. 1973, p. 1.
(5) OJ No L 89, 10. 4. 1975, p. 16.
(6) OJ No 134, 30. 6. 1967, p. 2840/67.
(7) OJ No L 349, 19. 12. 1973, p. 18.
(8) OJ No 120, 21. 6. 1967, p. 2366/67.

Whereas the second component is to be equal to 7 % of the average sluice-gate prices applicable for the four quarters preceding 1 May of each year;

Whereas the levy applicable to products listed in Article 1 (1) (a) and (b) of Regulation No 121/67/EEC, other than pig carcases, is to be derived from the levy on pig carcases on the basis of the coefficients laid down in Annex I to Regulation No 204/67/EEC;

Whereas the levy applicable to products listed in Article 1 (1) (c) of Regulation No 121/67/EEC is made up of two components;

Whereas the first component is to be derived from the levy on pig carcases on the basis of the coefficient laid down in Annex II to Regulation No 204/67/EEC;

Whereas the second component is to be equal to 7 %, and for products falling within heading No ex 16.02 of the Common Customs Tariff to 10 %, of the average offer prices for imports during the 12 months preceding 1 May; whereas it is appropriate to determine this average by reference to all the information available relating to exports from third countries into the Community and into other third countries, taking into account, in the last-named case, differences in the cost of transport and, generally, differences in quality and the representative character of prices;

Whereas the products falling within subheadings 02.01 B II c) 1 to 7, 15.01 A I, 16.01 A and 16.02 A II of the Common Customs Tariff, in respect of which the rate of duty has been bound against increase within GATT, levies must be confined to the amounts resulting from that binding;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Pigmeat,

HAS ADOPTED THIS REGULATION:

Article 1

The sluice-gate prices provided for in Article 12 of Regulation No 121/67/EEC for the products specified in Article I of Regulation No 134/67/EEC and the levies provided for in Article 8 of Regulation No 121/67/EEC for the products specified in Article 1 (1) of that Regulation shall for the period 1 August 31 October 1975 be as shown in the Annex hereto.

2. Provided that in the case of products falling within any of subheadings 02.01 B II c) 1 to 7, 15.01 A I, 16.01 A and 16.02 A II of the Common Customs Tariff in respect of which the rate of duty has been bound within GATT the levy shall not exceed the amount resulting from that binding.

Article 2

This Regulation shall enter into force on 1 August 1975.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
