REGULATION (EEC) No 1916/75 OF THE COMMISSION

of 25 July 1975

on an invitation to tender for the levy and/or the refund for the export of barley to the countries of Zones I, II and III

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 120/67/EEC [1] of 13 June 1967 on the common organization of the market in cereals, as last amended by Regulation (EEC) No 665/75 [2];

Having regard to Council Regulation (EEC) No 1968/73 [3] of 19 July 1973 laying down general rules to be applied in the event cereals market being disturbed, as last amended by Regulation (EEC) No 86/75 [4], and in particular Article 4 (2) thereof;

Having regard to Council Regulation No 139/67/EEC [5] of 21 June 1967 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds, as last amended by Regulation (EEC) No 87/75 [6], and in particular Article 4a thereof;

Whereas, having regard to the current situation on the cereals market, there should be opened in respect of barley an invitation to tender for the export levy provided for in the first indent of Article 2 (1) of Regulation (EEC) No 1968/73 and for the export refund provided for in Article 4a of Regulation No 139/67/EEC; whereas, in order to safeguard Community supplies whilst at the same time participating in the supply of certain markets, the invitation to tender for export should be limited to the markets concerned, which are situated in Zones I, II and III as defined in the Annex to Commission Regulation (EEC) No 941/72 [7] of 5 May 1972 redefining the destination zones for export refunds on cereals and rice;

Whereas the detailed rules governing invitations to tender are as regards the export levy contained in Commission Regulation (EEC) No 3130/73 [8] of 16 November 1973 establishing the conditions for the application of the system of tendering for export levies on cereals, as last amended by Regulation (EEC) No 771/75 [9], and as regards the export refund in Commission Regulation (EEC) No 279/75 [10] of 4 February 1975 laying down detailed rules for the application of the system of tendering for export refunds on cereals;

Whereas the objective of the tendering procedure can be attained only if every successful tenderer fulfils all the commitments entered into by him when submitting his tender; whereas these commitments include an obligation to lodge an application for an export licence; whereas compliance with this obligation may be ensured by requiring the tenderer to give security when submitting his tender;

Whereas, in order to ensure equal treatment to all concerned, it is necessary to make provision such that the effective period of validity of licences issued to successful tenderers in connection with the invitation to tender is identical;

Whereas provision must be made to ensure the smooth operation of the procedure for tendering for export levies and refunds; whereas to this end it is appropriate to prescribe a minimum quantity to be tendered for and a time limit and form for the communication of tenders submitted to the competent authorities;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:
