REGULATION (EEC) No 1994/75 OF THE COMMISSION

of 31 July 1975

fixing the denaturing premium for common wheat for the 1975/76 marketing year

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 120/67/EEC [1] of 13 June 1967 on the common organization of the market in cereals, as last amended by Regulation (EEC) No 665/75 [2], and in particular Article 7 (5) thereof;

Whereas Article 4 of Council Regulation No 172/67/EEC [3] of 27 June 1967 on general rules governing the denaturing of wheat and rye of bread-making quality, as last amended by Regulation (EEC) No 2096/68 [4], lays down that the denaturing premium must be fixed before the beginning of, and for the duration of, the marketing year;

Whereas the current situation on the world market as well as on the Community market indicates that the denaturing premium for the 1975/76 marketing year should be fixed at zero; whereas it may however be amended where there is a threat of disturbance on the Community market in cereals;

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

For the 1975/76 marketing year the denaturing premium provided for in Article 4 (1) of Regulation No 172/67/EEC shall be zero.

Article 2

This Regulation shall enter into force on 1 August 1975.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 31 July 1975.

For the Commission

P. J. LARDINOIS

Member of the Commission
